**Subject:** Tiller, Oregon status update

Greetings all:

The Oregon Department of Agriculture has scheduled a meeting to update interested persons on an open active investigation being conducted in Tiller, OR. An aerial application was performed on forested lands and there have been claims of adverse health effects.

The meeting is scheduled for 10 am on Tuesday, July 29th. Virtually, we will meet via GoToMeeting. Locally, we will meet in ODA's third floor Media Room. Kindly share this information with your agency's information officers.

Please join my meeting, Jul 29, 2014 at 10:00 AM PDT.

**Non-Responsive**
